

# WELCOME TO MEREDITH

## Move-in Information & Instructions

### Student Check-in Steps

1. **Check in** with an Admissions representative at your building-specific check-in tent (see map).
2. **Proceed** to the Residence Life table inside your residence hall parlor to get your room key, contracts, and room condition report (RCR).
3. **Return** to the unloading zone to begin moving your belongings into your new room!

**Parents and Families:** While your student checks in, please unload your vehicle. Immediately after all belongings are unloaded, move your vehicle out of the unloading zone into the designated final parking lot (locations available on back of this page). You may leave it there for the remainder of the day.
